

Bill Turney (#1538) has sent the editor a Xerox copy of a cover carried on the famous liner Aquatania 45 years ago. The sender, whose rubber-stamped name and address appear on the back of the cover, was EDM. SCHLUTER & CO. Coffee Dept. 24 Mark Lane, London, E.C. The three half-pence stamp which conveyed the cover by seapost bears the E/S C^o Perfin of the firm. Bill wonders if the coffee merchant is still in business.
